

- ALL STEEL WELDED REINFORCED CONSTRUCTION**
- ADJUSTABLE PARTITIONS**
- STACKABLE**
- SLIDING DOOR CLOSURE**
- AVAILABLE WITH LOCKS**

Vertifile cabinets are constructed of heavy gauge cold rolled steel. Each shelf section is reinforced. The inner and outer walls of the sides are welded together for additional strength. The specially designed inner wall eliminates the possibility of a film corner trap. Doors slide smoothly in steel tracks.

Three heavy duty partitions are provided for each shelf. Partitions can be installed in any of eleven positions on each shelf without the need for tools. Choose from 1, 2, 3 or 5 shelf models designed for storing 14"x17" film. Locking doors are also available.

Inside dimensions of each shelf: 18³/₈" deep and 15³/₈" high.

Finish: Light gray baked enamel (on cold rolled steel).

*** Optional Items:**

856 - Additional partitions - approx. ship wt. 4 lbs

857 - 5" floor base - approx. ship wt. 15 lbs

861 - Index guides (see page E - 6) - approx. ship wt. 5 lbs

853 Three shelf Vertifile with doors

852 Two shelf Vertifile with doors

855 Five shelf Vertifile with doors

851 One shelf Vertifile with doors
