

# SMALL SIZE VERTIFILE

## A SMALL SIZE VERTIFILE CUSTOM DESIGNED TO ACCOMMODATE MAMMOGRAPHS

- IDEAL FOR 24 X 30 CM or 18 X 24 CM FILM STORAGE
- CHOICE OF THREE SIZES
- ADJUSTABLE PARTITIONS
- SLIDING DOOR CLOSURE
- AVAILABLE WITH LOCKS
- ALL STEEL WELDED REINFORCED CONSTRUCTION

Especially designed to accommodate mammographs, this vertifile will double the capacity of any filing area over that obtained using conventional drawer files. Filing is simpler, faster, more economical and safer. Stability and resistance to tipping is designed into this cabinet. Two doors and three adjustable partitions are furnished for each shelf. Inside dimensions of each shelf: 28.25 wide, 12.875 deep and 11.25 high.

**Finish:** Light gray baked enamel (on cold rolled steel).

**\* Optional Items:**

- 859A - Additional partitions - approx. ship wt. 3 lbs
- 860 - 5" floor base - approx. ship wt. 15 lbs
